KEEP OUT OF REACH OF CHILDREN

SynoilTM

ADJUVANT

A Crop Oil Concentrate for use with herbicides to enhance spreading, sticking and uptake

ACTIVE INGREDIENT:

Contains a proprietary blend of refined white oil and polyglycol fatty acid esters

20 Litres

PLEASE READ THE LABEL COMPLETELY BEFORE USE

HAZARD CLASSIFICATIONS:

Skin Irritation Category 2, Eye Irritation Category 2, Hazardous to the aquatic environment chronic Category 4.

WARNING: HARMFUL, ECOTOXIC

Causes skin irritation. Causes serious eye irritation. May cause long lasting harmful effects to aquatic life.

PRECAUTIONS

PERSONAL PROTECTION:

Avoid contact with eyes and skin. Avoid inhalation of spray mist. When mixing or applying, wear overalls, boots and gloves, and eye protection. A respirator (organic vapour and particulate matter) is required where spray mist could be inhaled. Clean protective clothing daily after work. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly before meals and after work.

STORAGE:

Keep out of reach of children. Store in the original, tightly closed container, in a secure place. When stored appropriately this product should show no significant degradation for two years from the date of manufacture. Contact your supplier for further information about the use of product that is older than this.

DISPOSAL:

Dispose of this product only by using in accordance with this label, or at a suitable landfill. Triple rinse container and add rinsate to the spray tank. Dispose of container to a suitable landfill or agricultural container recycling scheme. Do not burn. Do not use container for any other purpose.

ENVIRONMENTAL:

Use this product carefully. Do not contaminate aquatic environments with product, spray drift or empty container. Do not allow spray drift outside the target area to occur.

FIRST AID

If swallowed do not induce vomiting. If splashed in eyes, wash out immediately with running water for several minutes. If skin or hair contact occurs, remove contaminated clothing and wash with soap and running water. If inhaled, immediately move to fresh air and rest. Maintain half upright position if breathing is difficult. Call the National Poisons Centre **0800 POISON (0800 764 766)** (24 hrs) or a doctor immediately for advice.

EMERGENCY RESPONSE

In a transport emergency call **111, Police or Fire Brigade**. In a fire, evacuate and call **111 Fire Brigade**. For specialist advice in an emergency only, call **0800 CHEMCALL (0800 243 6225)** (24 hrs).

SPILLAGE

Exclude non-essential people from the area. Wear protective clothing and prevent material from entering waterways. Absorb spill with inert material such as soil, sand, etc, and place in a waste container. Wash area with water and absorb with further inert material. Dispose of safely to a suitable landfill.

SAFETY DATA SHEET

Additional information is provided in the safety data sheet. Freephone **0800 ORIONAS (0800 674 6627)** or visit **www.orionagriscience.co.nz**.

GENERAL INFORMATION

Synoil will improve the performance of some herbicides by enhancing spreading, wetting and sticking, especially in marginal conditions where plants are hairy, waxy, dusty or weather hardened. Synoil will also act as an anti-evaporant.

WARNING: Prior to use, read all instructions on this label and on the primary product label for compatibility, rates and directions for use. This product can increase the activity of some herbicides and may increase the risk of phytotoxicity. Any directions given on the primary product label have precedence over directions given on this label. Particular care should be taken when applying in hot or humid conditions. Do NOT use on horticultural crops, including pipfruit, kiwifruit, grapes or any other fruit crops, ornamentals, or nursery plants. For more information contact your Orion AgriScience representative.

DIRECTIONS FOR USE

Use with herbicides such as Dominator® (mesotrione), Blast™ (flumetsulam), Colt™ (clethodim) and Hurricane® (haloxyfop). Use 0.5 – 2 L/ha, depending on the specific recommendation of the primary product label.

MIXING

Add Synoil to the partially filled spray tank after the addition of the primary product. Maintain agitation through filling and spraying.

WARRANTY

This formulation is warranted to contain the specified ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer's control. The manufacturer declines all liability for damage resulting from improper storage or use of the product.

Approved pursuant to the HSNO Act 1996, No. HSR002503
