# WeedEnz™ Rapid

## Organic WeedKiller Concentrate

Rapid knockdown activity desiccates and kills a range of annual weeds and grasses. Repeat spraying can kill some perennial weeds

**Active Ingredient:**

Contains 700 g/litre of plant derived fatty acids in the form of an emulsifiable concentrate

4828

**5 Litres**

140 x 140mm (WxH)

## READ THE LABEL BEFORE USE

### HAZARD CLASSIFICATIONS:

**Skin irritation Category 2, Serious eye damage Category 1, Designed for biocidal action**

### DANGER

Causes skin irritation. Causes serious eye damage.

### STORAGE

Keep out of reach of children. Store in the original container in a secure area. When stored appropriately this product should show no significant degradation for two years from the date of manufacture. Contact your supplier for further information about the use of product that is older than this.

### PERSONAL PROTECTION

Avoid contact with eyes and skin. Do not breathe in the spray mist. When mixing or applying, wear protective overalls, boots, gloves, head covering and eye protection. Wear a respirator if spray mist could be inhaled.

Take off contaminated clothing and wash before reuse. Wash hands thoroughly after use.

### DISPOSAL

Dispose of this product by using it in accordance with this label. Dispose of the container via AgRecovery after triple rinsing (use the rinsate for spraying). Do not burn. Do not use the container for any other purpose.

### ENVIRONMENTAL

Take all reasonable steps to ensure that this product does not cause any significant adverse effects to the environment beyond the application area. Do not apply directly into or onto water. In the event of spillage, exclude non-essential people from the area. Wear protective equipment and prevent from entering drains. Contain and collect spillage for disposal.

### FIRST AID

If medical advice is needed, have product container or label at hand.

If swallowed: Rinse mouth. Seek medical advice if feeling unwell.

If on skin: Wash with plenty of soap and water. Seek medical advice if irritation occurs.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if easy to do so. Continue rinsing. Call the Poisons Centre on **0800 POISON (0800 764 766)**, or a Doctor immediately.

If inhaled: Move to fresh air and keep at rest in a position comfortable for breathing. Seek medical advice if feeling unwell.

For advice, call the Poisons Centre on **0800 POISON (0800 764 766)** or a Doctor.

### EMERGENCY RESPONSE

In an emergency call **111, Police or Fire Brigade**. For specialist advice in an emergency only, call **0800 CHEMCALL (0800 243 6225)** (24 hrs).

### SAFETY DATA SHEET

Additional information is provided in the safety data sheet. Freephone **0800 ORIONAS (0800 674 6627)** or visit [www.orionagriscience.co.nz](http://www.orionagriscience.co.nz)

### GENERAL INFORMATION:

Weedenz Rapid is a fast acting weedkiller – weeds begin to shrivel and die within a few hours of application. Weedenz Rapid has direct contact action on exposed foliage, and works best on seedling and actively growing annual weeds. Perennial and other well established weeds with extensive roots may grow back, and a repeat application 3 – 5 days later will assist control. Established perennial weeds are not well controlled.

Weedenz Rapid can be used in a wide variety of situations. This includes uses in horticulture beneath Apples, Grapes and Kiwifruit. Weedenz Rapid is completely biodegradable, and leaves no residue in the soil. Weedenz Rapid does have a strong odour, which dissipates quickly once sprayed.

### DIRECTIONS FOR USE:

Apply with well-maintained and calibrated spray equipment. Mix 70 mL of Weedenz Rapid per 1 litre of clean water (7% solution). On harder to kill perennial weeds use 100 mL per 1 litre (10% solution). If spray solution is not used immediately, agitate contents before reuse. Spray weeds thoroughly ensuring that all leaves are wet. Best results are obtained in warm and sunny conditions. Do not spray in windy weather.

**Apply this product carefully. Avoid contact with the foliage of desirable plants, trees, lawns, etc. If accidental spraying occurs, hose off immediately.**
